

USE PROVISIONS

Dear Colleague,

Thank you for your interest in the enclosed material from the Drosophila Genomics Resource Center (DGRC). The material and its unmodified derivatives (collectively referred to as Material) are being provided to you under the following conditions:

- * will be used for scientific research purposes only;
- * will be handled properly, and will be used and disposed of according to applicable laws and regulations;
- * will not be transferred to any other party;
- * will not be used for commercial purposes;
- * commercial inquires should be directed to the originating source or institution if possible, or the DGRC dgrc@cgb.indiana.edu if the source is not known

All ownership rights of the Material are retained by the Medical Research Council Laboratory of Molecular Biology research institute in Cambridge, England, where the materials were created (referred to as Source). The DGRC will not bear any responsibility for damages or mishaps related to or resulting from the use of the Material.

You should cite the original authors/publication when known, along with acknowledging the Drosophila Genomics Resource Center, supported by NIH grant 2P400D010949, as the distributor of the Material in any publication(s) resulting from the use of the Material.

If there are any questions regarding this document, please contact the DGRC at: dgrc@cgb.indiana.edu
