

USE PROVISIONS

Materials of Baylor College of Medicine provided by the Drosophila Genomics Resource Center

From the Director, Office of Research, Baylor College of Medicine

Dear Colleague:

Thank you for your interest in the above material. The material and its unmodified derivatives (collectively referred to as Material) are being provided to you and are to be used only under the following conditions:

- are used for scientific purposes;
- will be handled properly, and will be used and disposed of according to applicable laws and regulations;
- will not be transferred to any other party;
- will not be used for commercial purposes;
- commercial use inquiries should be directed to blg@bcm.edu.

All ownership rights of the Material are retained by Baylor College of Medicine. Baylor College of Medicine will not bear any responsibility for damages or mishaps related to or resulting from the use of the Material.

You shall acknowledge Hugo Bellen, Ph.D., D.V.M. and Baylor College of Medicine as the source and DGRC as the distributor of the Material in the publication resulting from the use of the Material.

If there are any questions regarding this document please contact Contract Associate, mta@bcm.edu , phone (713) 798-1297, fax (713) 798-6990.
